SOUTH PLAINS COLLEGE IMPROVES EACH STUDENT'S LIFE

I. GENERAL COURSE INFORMATION:

A. Course Description: The student will identify basic firearm safety, care and cleaning techniques; and demonstrate proper shooting principles and proficiency with a handgun and shotgun. Students will understand general laws regarding firearms. This course will allow the student limited shooting opportunities. The student will be furnished targets ,ammunition, safety devices as well as a firearm. Both full and part-time students must have the college's Student Accident Insurance. This class is a prerequisite for CJLE 2237, Advanced Firearms.

B. Course Goals/Objectives: The goals/objectives of this course are:

- Designed to help the student develop a respect for firearms safety, shooting techniques and general laws regarding firearms.
- Student will be provided with the understanding of the responsibility of being a competent owner of a firearm.
- Provide the student with the knowledge of care and cleaning of firearms.
- Emphasis will be placed on target shooting.
- Emphasis will be placed on the proficiency with a shotgun.

- C. Course Competencies: Upon successful completion of this course, each student will have demonstrated through comprehensive examinations, with a score of 70% or better, a competent understanding of:
- the safety rules needed to perform in the firing range;
 - the general laws regarding firearms in Texas;
 - specific shooting techniques in marksmanship;
 - safe care and handling of firearms.
- D. Academic Integrity: It is the aim of the Law Enforcement faculty of South Plains Colleges to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension. Students should refer to the SPC General Catalog policy regarding consequences for cheating and plagiarism (see "Academic Integrity" as well as "Student Conduct" sections in college catalog). At times, working with other students is encouraged for some assignments and meets SCANS competencies C-9 through C-14. If you have a question as to whether you may work with other students on any assignment, ASK YOUR INSTRUCTOR.
- E. SCANS and Foundation Skills. This course covers SCANS Occupational Competencies C- 1,2,3,9,10,16,20 and Foundation Skills F-3,5..

II. SPECIFIC COURSE/INSTRUCTOR REQUIREMENTS:

- A. Textbook and Other Materials: Handouts and materials presented in class. Student must have a gun cleaning kit.
- B. Class Attendance. Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be

administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. Students must attend and/or participate in all classes for which financial aid is awarded. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the Student will owe any balance resulting from the adjustment.

- C. **Assignment Policy.** All required work must be turned in on time in order that the student may benefit from the corrections and study for future examinations. Assigned outside work is **DUE ON THE CLASS PERIOD ASSIGNED**. Late work generally is not acceptable; however, special consideration is subject to instructor discretion for exceptional circumstances. The instructor has sole discretion whether the exception is cleared and whether or not the work is acceptable.
- D. **Grading Policy/Procedure and/or methods of evaluation.** An accumulative point system will be utilized to determine the final grade that the student will receive for the course. The student's grade will be determined by adding the total points earned during the semester from examinations and assignments. (Note: See the General College Catalog "Grade and Reports" for explanation of grades and grade point averages.) Points will be determined in accordance with the following outline:

	TOTAL
*1 Major Exams @ 100 points each	100 points
First Qualification	250 points
Second Qualification	250 points
**Participation/Attendance	100 points
Total Points Possible	700 points

*Make-up tests may be administered at the discretion of the instructor; students are expected to be present and prepared for all announced examinations.

** Final Examination is required for all students.

GRADING GUIDELINE:

Total Points Accumulated	=	Grade Earned
630 to 700 points	=	A
560 to 629 points	=	B
490 to 559 points	=	C

420 to 489 points	=	D
419 or fewer	=	F

- E. Special Requirements--Safety Policy. Students should adhere to safety standards established in the SPC Student Handbook. Students in law enforcement/criminal justice must follow all safe practices in the Firing Range and other laboratory work areas. Further, chemical hazards and appropriate MSDS safety practices will be covered by the instructor during the first class session if potential for exposure exists.
- F. ADA Statement
Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office through the Guidance and Counseling Centers at Reese Center (Building 8) [716-4606](tel:716-4606), or Levelland (Student Services Building) [716-2577](tel:716-2577).
